OFFICIAL 538 DUTCH GRAND PRIX VILLAGE 2022

In order to ensure that the Official 538 Dutch Grand Prix Village (hereafter referred to as 'Village') is a place where everyone can have a good time, there are some rules that apply to all Village visitors.

Article 1. Legislation and regulations

Dutch legislation and the General Municipal Bye-Law of Zandvoort apply to the Village site. Visitors to the Village must behave in accordance with public order, good morals and decency while on the grounds. Visitors are obliged to comply with the regulations and/or instructions of the organisation, security, medical team and other parties involved in the Village. Threats, abuse, intimidation, discrimination and other forms of aggression are prohibited. The use of (soft) drugs is not permitted. In the event of misconduct, irregularities, urinating in public and/or violation of the house rules, visitors will be removed from the Village grounds. The police will be alerted and a report made if weapons, theft, public violence or other legal violations are found.

Article 2. Own Risk and Liability

Visiting the Village is entirely at your own risk. The Village organisation is not liable for any damage caused by visiting the Village or the loss and/or theft of any property during your visit to the Village. Damage to (temporary) objects or property and people (visitors/personnel) at the event will be recovered from the source.

Article 3. Body search, bag check and identification

The organisation is authorised to search visitors upon entry or during their stay, to inspect hand luggage, bags and/or coats and/or to ask for identification. Refusal to do so may result in denial of entry to the Village and removal from the Village.

Article 4. Entry

Entry to the Village is only possible on presentation of a valid admission ticket, in combination with a valid ID. The minimum age for independent entry to the Village is 18 years. Adolescents must be accompanied by an adult with a valid entry permit. Access to the Village is denied to persons:

The organisation is entitled to refuse visitors or remove them from the grounds if a visitor does not comply with the regulations mentioned in the first article or these house rules. After removal from the grounds, the visitor will no longer have access to the grounds and no claim can be made for any reimbursement of admission tickets, travel expenses and/or any other costs incurred.

In the interest of public order and safety, the organisation reserves the right to ask visitors to leave the location at any time for safety reasons. After the event, (re-)admission is then no longer permitted.
